

SILHOUETTE Sideboard

Designer: Gensler

Year: 2022

DESCRIPTION

From the minimal line, the Silhouette sideboard, with four hinged doors in heat-treated eucalyptus covered in leather on the front and, inside two compartments with two shelves, shows the know-how of the Turri brand in the glossy lacquering of the monochromatic wood that is combined with the eucalyptus wood, both in the lateral insert and in the upper support surface. The upper compartment is in matt black lacquer while the embedded shelf is in brown Emperador marble. The structure is raised from the ground with bronze-colored metal feet.
