

MADISON Vitrine

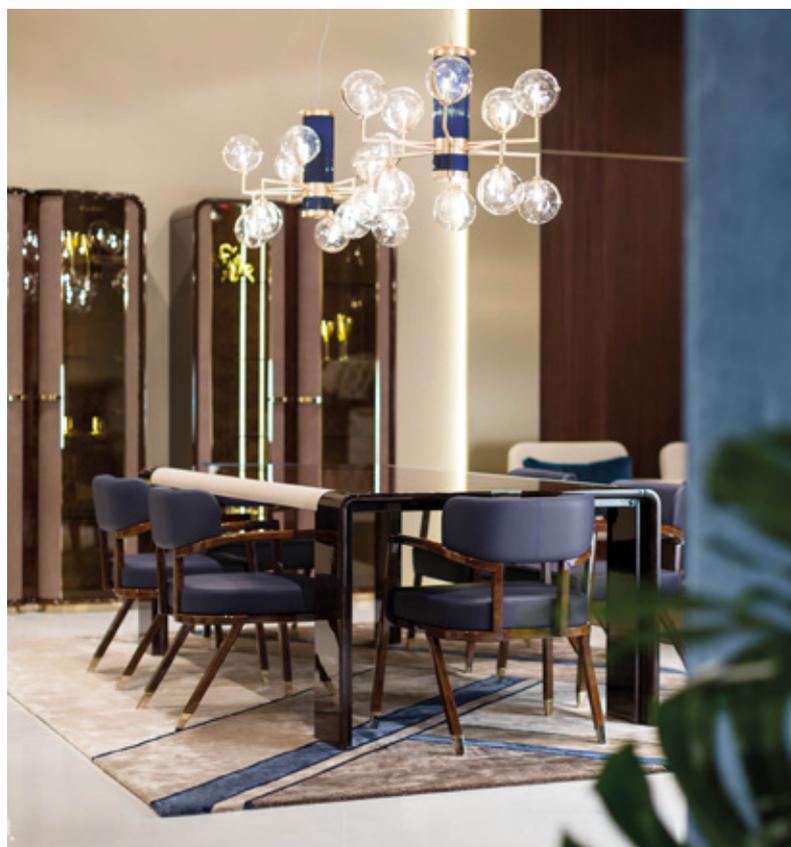

Designer: Andrea Bonini

Year: 2017

DESCRIPTION

The vitrine of the Madison collection reflects the modernist style of the entire collection. Available in two or four doors, it is an element rich in details. Madison showcases are highly customizable with leather inserts and the possibility of adding a central marble pillar. The light gold metal details elegantly fit into the structure. The Madison glass is available in different finishes as per sample.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
