

ZENIT Vitrine

Designer: Andrea Bonini

Year: 2021

DESCRIPTION

In the Zenit vitrine the leather doors are somewhat embracing, characterized by an extremely light display case on top. Overlapping layers is a characteristic of the entire collection, strongly evident in the shelves or the doors of the storage units. The vitrine is available in different finishes as per sample book.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
