

MILANO Round table

Designer: SBGA | Blengini & Ghirardelli

Year: 2021

DESCRIPTION

The round table of the Milano collection has a circular top available in marble or in glossy lacquered wood, supported by a base with a geometric shape. Starting from a metal base, a series of glossy lacquered wooden blades rise up to the table top, creating a fascinating game of diagonal cuts. Leather applications and metal details make this table original and modern. The Milano round table is available in different finishes as per sample books.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
