

BLUES modular sofa

Designer: Giuseppe Viganò
Year: 2020

DESCRIZIONE

Blues modular sofa, thanks to an ample choice of modules, starting from the central ones up to the end pieces and the chaise longue, including the corner units and the poufs, the modular compositions are several and satisfy most requirements. Even as a single piece, the sofa is outstanding for its minimalist design and at the same time for the richness of its details : the walnut wood base, linear and uniform is supported by tubular metal legs. The Blues sofa is available in different finishes as per sample book
