

MADISON Side table

Designer: Andrea Bonini

Year: 2017

DESCRIPTION

Side table from Madison collection is an object apparently simple but has a complex manufacturing, it has a structure covered in leather with top in glossy lacquered wood, it has a particular triangular shape opened on one side. Different heights give the possibility to compose and match the coffee tables, details in light gold metals highlight the shape. Madison side table is available in different finishes included in our collection.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
