

## AZUL Lantern

Designer: Paola Navone - Otto Studio  
Year: 2022

### DESCRIPTION

An oversized pendant lamp illuminates the Azul living area. The shape is reminiscent of classic lanterns but is deliberately, and ironically, enlarged in its proportions. Even the materials used are reinterpreted in a contemporary way: the methacrylate is defined by a dark gray frame that highlights the line.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
